

Welcome to Inframark Water & Infrastructure Services!

Inframark is a leading supplier of water and wastewater treatment solutions. We provide our clients with some of the industry's brightest minds, advanced technologies, and quality products to provide you with truly efficient, cost-effective solutions to your water and wastewater challenges.

Only three simple steps to get your water service started:

1. Complete a New Service Agreement for **WTC MUD#1**
2. Give a 24-hour notice
3. A deposit of \$150.00 plus an application fee of \$5.00 will appear on your first water bill. Please note: if you are requesting same day service, please add an additional \$50.00 to the above fees.
4. To return the Application (pages 2-3), you may either:
 - a. E-mail it to startservice@inframark.com
 - b. Deliver it to office inside the Lakeline Oaks Community Center located at:
1000 Old Mill Road
Cedar Park, TX 78613
Monday – Friday, 8:00 am – 5:00 pm

****Please make all payments payable to WTC MUD #1****

When your new service is established and a new account number is issued, visit www.PayMyInframarkBill.com to review setting up automatic payment options (convenience fees may apply). Additionally, you are able to choose paperless billing as well as other options that can make paying and receiving your utility bill trouble-free.

Texas law requires government-operated utilities to give their customers the option of making their address, telephone number, e-mail address, usage, billing and payment records confidential. Your signature above is a request that personal information and usage, billing and payment records contained in our utility records NOT be released to unauthorized persons.

☒ Yes, I want my personal information to be confidential.

If you want to change this request, please notify the District in writing.

SERVICE APPLICATION & AGREEMENT

- I. **PURPOSE:** Williamson-Travis Counties MUD #1 is responsible for protecting the drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this Service Agreement is to notify each customer of the plumbing restrictions which are in place to provide this protection. The utility enforces these restrictions to ensure the public health and welfare. Each customer must sign this Service Agreement before we will begin service. In addition, when service to an existing connection has been suspended or terminated, the water system will not re-establish service unless it has a signed copy of this Service Agreement.
- II. **PLUMBING RESTRICTIONS:** The following undesirable plumbing practices are prohibited by State regulations:
- A. No direct-connection between the public drinking water supply and potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate backflow prevention device.
 - B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by installation of an air-gap or a reduced pressure-zone backflow prevention device.
 - C. No connection which allows water to be returned to the public drinking water supply is permitted.
 - D. No pipe or pipe fitting which contains more than 0.25% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
 - E. No solder or flux which contains more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.
- III. **CUSTOMER SERVICE AGREEMENT:** The following are the terms of the Service Agreement between:

Williamson-Travis Counties MUD #1 and

(Customer Signature – Required)

- A. The Water System will maintain a copy of this Service Agreement as long as the customer and/or premises is connected to the Water System.
 - B. The Customer shall allow his property to be inspected for possible cross-connections and other unacceptable plumbing practices. These inspections shall be conducted by the District or its designated agent prior to initiating new water service; when there is reason to believe that cross-connections or other unacceptable plumbing practices exist; or after any major changes to the private plumbing facilities. The inspections shall be conducted during the District's business hours.
 - C. The Water System shall notify the customer in writing of any cross-connection or other undesirable plumbing practice which has been identified during the initial inspection or the periodic reinspection.
 - D. The Customer shall immediately correct any undesirable plumbing practice on his premises.
 - E. The Customer shall, at his expense, property install, test, and maintain any backflow prevention device required by the Water System. Copies of all testing and maintenance records shall be provided to the Water System.
- IV. **ENFORCEMENT:** If the Customer fails to comply with the terms of the Service Agreement, the Water System shall, at its option, either terminate service or properly install, test, and maintain an appropriate backflow prevention device at the service connection. Any expenses associated with the enforcement of this Service Agreement shall be billed to the Customer.

WELCOME TO THE NEIGHBORHOOD!!

Helpful Information for Williamson-Travis Counties MUD #1 Residents

www.wtcmud1.org

Inframark -

General Manager: 512-246-0498

Billing: 512-246-0498

After-Hours Emergencies: 512-246-0498

Deed Restrictions:

In order to maintain the value, attractiveness and integrity of the neighborhood, restrictive covenants are strictly enforced. These restrictions may vary depending on which subdivision you live in. For example, overnight parking is **NOT** allowed in the following areas:

All streets in Hunters Glenn

All streets in Park Forest

All streets in Volente Hills

All streets in Lakeline Oaks

And the following streets on the WEST side of El Salido:

Grist, Macaw, Stenson, Dayflower Trace, Lobelia, and Old Mill Road

If you are a homeowner, a copy of your deed restrictions should have been included with your closing papers. If you are a renter, your landlord or leasing agent should provide you with this information. **If you have any questions about restrictive covenant enforcement or need another copy of your restrictions, please visit the District Website at www.wtcmud1.org.**

Architectural Control:

Approval from the Architectural Control Committee is required prior to making any improvements to the outside of your home. This includes placing a temporary structure on the property, building a swimming pool, or altering your property in any way. Please call Sage Management at 512-775-8932 for further information.

Trash:

Trash collection and recycling services are provided through Waste Management. Containers should be at the curb each Monday by 7:00 a.m. Recyclable items include newspapers, magazines, aluminum, tin cans, clear plastic milk jugs and clear soda jugs. In the event you need a new trash cart or recycling container, please contact Inframark at 246-0498 (option 4). Waste Management also offers large item pick-up on Tuesdays. Please make sure that your large items are placed by the curb before 7:00 am Tuesday morning.

Recreation Facilities:

There are multiple parks and ponds located in the District, including:

Anderson Mill West Park – 1900 Dagama @ El Salido

Sun Chase Park – 2403 Sun Chase

Old Mill Park – 1215 Old Mill Road

The Park at Lakeline Oaks – 1000 Old Mill Road

Hatch Pond Park – 3300 Hatch Road

Aster Park (children's park, no dogs) – 2905 ½ Aster Pass
 London Lane Pond (dog park) – 2300 London Lane
 Madeline Loop – 2420 Madeline Loop
 Anderson Mill West Pond – 13183 Anderson Mill Road
 Vestavia Pond – 2513 Vestavia Ridge Lane
 Cashell Wood Pond – 2813 Cashell Wood Drive
 Little Elm Pond – 2009 Little Elm Trail
 Aster Pass Pond – 1911 Aster Pass
 Volente Hills Park – 2902 Briona Wood

For information about reserving the pavilions in Anderson Mill West Park or The Park at Lakeline Oaks, or the building at The Park at Lakeline Oaks, visit <https://www.wtcmud1.org> or contact Inframark at 246-0498. Tennis court key fobs may be obtained at the Inframark office or by mail for a fee of \$75 annually for residents of the District. Visit <https://www.wtcmud1.org> or call Inframark at 246-0498 for details.

Tax Rate:

The 2018 tax rate is \$0.4079.

Billing Information:

There is a \$150.00 security deposit with a \$5.00 application fee required to establish water service. An additional security deposit of \$150.00 shall be required for any account that has been discontinued for non-payment, and will be included in the first billing following reconnection of service. Typically, water/wastewater bills are mailed on the 25th of each month, and are due on the 15th of the *following* month. These dates are subject to change; please see your bill for more information. Your monthly residential water/wastewater bill breakdown is as follows:

Basic Service Fee (includes garbage & recycling)	\$25.00
Basic Service Fee for Seniors (age 65 & over)	\$ 18.43
Water 1 – 10,000 gallons	\$ 4.66 per 1,000 gallons
Next 5,000 gallons	\$ 5.60 per 1,000 gallons
15,000+ gallons	\$ 6.71 per 1,000 gallons
Sewer	\$ 3.62 per 1,000 gallons
Fire Protection Fee	\$24.14 per month
Drought Surcharge (if Cedar Park is at Stage III drought)	9% of bill total
Late Penalty	5% of unpaid balance

Commercial Water Rates are \$25.00 per rate unit (minimum) plus \$4.66 per 1,000 gal.

Winter Averaging Period:

The average amount of water used during a period of three months (from mid-November to mid-February) determines the amount you will be charged for wastewater during the next year.
